

Your Health is Important

Where possible, all Griffin Legal meetings are digital.

Yet, you may need us to attend your home to sign key legal documents, such as your Will.

We have a strict hygiene policy for home visits.

We keep you safe at your home by:

- ▶ Washing our hands, or wearing gloves and/or a mask if requested
- ▶ Conducting in-person conversations in large rooms, or outdoors
- ▶ Asking you to provide your own pen for signing documents
- ▶ Wiping down any surfaces used
- ▶ Avoiding physical contact with any persons, and maintaining strict social distancing in accordance with government guidelines.
